

Cae Du : North End Topo

- 1 Traverse from recess V3
- 2 Blunt prow V0
- 3 Long traverse back of recess and around nose V4
- 4 Layaway pull on to wall V2
- 5 Left side recess V0
- 6 Black Wall traverse , feet on thin break, hard rockover after final prow V6
- 7 Traverse out of recess with hard finish V5
- 8 Short nose V1
- 9 Traverse (good warmup) V0
- 10 Jump onto blunt prow and mantle up V3

There are many problems pulling through the walls along which the traverses go

Traverse 3: mantle up above foot recess, mantle up just after foot recess or mantle up at prow

Traverse 6: lots of excellent problems pulling through roof

Traverse 9: direct up middle of wall V0 layaway next right V1 mantle onto final shelf V1
